I Have passion toward Mother Earth. To Save appreciate the things we have.

Sent to John Sonre
4/9

The Acton Volunteer Coordinating Committee met March 25, 2013 and interviewed Padmaja Kuchimanchi for the Green Advisory Board, Associate member.

Padmaja has a Bachelor of Science degree in Botany, Chemistry and Zoology. She has worked in the Biotech/Science arena. She has also served recently on the Acton/Boxborough Cultural Council. Her interest in further serving Acton led her to discover this opening on the Town Website.

Her interests include recycling, conserving energy, and working on other green initiatives. She has a self proclaimed passion toward Mother Earth to save and appreciate the things we have. She has not attended a meeting of this committee and we have urged her to determine when the next meeting is and to attend it.

We recommend that her name be forwarded for further consideration.

Charlie Aaronson,
For the VCC
